2. IMPORTANT NOTES

1. Internet system and equipment preparation

- The internet system of 5 exam sites needs to be strong and stable with wifi and network connections
- (Especially 2 locations Bien Hoa, Dong Nai with many candidates using the internet at the same time, IT need to plan options to provide internet connection, Wifi, 4G transmitter enough to use for large groups of people)
- Backup plan for power outages: Backup power, fully charged laptop.

2. Exam instructions the system on Thursday, November 3, 2022:

a. Multiple choice test:

- *Candidates are required to take the test using a desktop computer, laptop or smartphone, and a tablet with an internet connection directly on the [CLDP4 PREPARATION AND ENTRANCE TEST COURSE](#) on E-learning system.*
- For the multiple-choice test, you need to click on this icon to start taking the test.

Note: The exam consists of 50 questions - spread out on different pages. When the first page is completed, students need to click through to the next page to continue. Avoid the case that just completing the first page and clicking submit will lose points.

b. **Essay writing test:**

- *Candidates should continue to use desktop computers, laptops to take the test. The essay test requires simple text typing and diagramming, so candidates need to consider which devices are most convenient for your work such as computers and laptops. (In case candidates choose to do paper essays, they must notify the TMD department in advance. Candidates need to write their full name and employee number on the test sheet signed by the proctor. After completing the test, the candidate returns it to the test room proctor)*
- For the essay, students need to use MSWord to do the test and must type in Vietnamese. The Msword exam file needs to be uploaded to the system in .doc, .docx or pdf format.

Yêu cầu: đặt tên file theo cấu trúc sau đây: MSNV_họ và tên (Ví dụ: 999_NguyenVanA.docx hoặc 999_NguyenVanA.pdf)
